Performance data shown represents past performance and does not guarantee future results. The investment return and the value of the investment will fluctuate so that an investor's units, when redeemed, may be worth more or less than their original cost. Current performance may be higher or lower than the performance data shown. For more current performance information to the most recent month-ended, please call (866) 574-3542.

Performance numbers do not include the annual maintenance fees.

The performance percentages shown are net to the investor and represent the performance after the subtraction of all annual asset-based fees and expenses (the "Total Annual Asset-Based Fees"). Investments in SMART529 Select are subject to various fees, which will then reduce the value of your account as they are incurred. Please see the Offering Statement for specific details.

* Standardized returns are as of quarter end.
